**COMMENTS INVITED ON APPLICATION OF BELLSOUTH LONG
DISTANCE, INC. D/B/A AT&T LONG DISTANCE SERVICE TO
DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES**

WC Docket No. 07-56
Comp. Pol. File No. 784

Comments Due: April 10, 2007

Section 214 Application

Applicant: BellSouth Long Distance, Inc. d/b/a AT&T Long Distance Service

On March 14, 2007, BellSouth Long Distance, Inc. d/b/a AT&T Long Distance Service (BellSouth or Applicant), located at **400 Perimeter Center Terrace, Suite 400, Atlanta, GA 30346**, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue the provision of certain domestic telecommunications services to customers throughout the continental United States and Hawaii. By amendments filed March 15, 2007 and March 22, 2007, BellSouth corrected certain deficiencies in its initial application and updated the record regarding notice in the affected areas. Accordingly, BellSouth's application is deemed complete as of March 22, 2007.

BellSouth indicates that it currently provides the following business services throughout the continental United States and Hawaii: BellSouth Dial Direct Service, BellSouth Toll Free Service, BellSouth Long Distance Calling Card Service, BellSouth Long Distance Voice VPN Service, BellSouth Long Distance Domestic Private Line, BellSouth Wavelength Service, BellSouth Special Access Service, and BellSouth Long Distance International Private Line Service. BellSouth states that, as a result of the acquisition of BellSouth Corporation and its affiliated companies by AT&T Inc., the combined entity now plans to streamline its business services portfolio. Accordingly, BellSouth indicates that it no longer plans to offer these services to new customers on or after April 27, 2007, subject to Commission authorization, and that it will continue to provide services to existing customers until their existing contracts expire or are terminated.¹ BellSouth asserts, however, that these services will be provided by another affiliate of AT&T and that there are many alternative providers of business services. BellSouth indicates that it notified affected customers of the proposed discontinuance by letters sent via U.S. Mail on March 13, 2007. Finally, BellSouth asserts that it is non-dominant with respect to the services it proposes to discontinue.

¹ Discontinuance of international service is governed by 47 C.F.R. § 63.19.

In accordance with section 63.71(c) of the Commission's rules, BellSouth's application will be deemed to be granted automatically on the thirty-first (31st) day after the release date of this public notice, unless the Commission notifies BellSouth that the grant will not be automatically effective. In BellSouth's application and notice to its customers BellSouth indicates that it will no longer offer these services to new customers on or after April 27, 2007 and that it will not provide these services to existing customers beyond the expiration or termination of their existing contracts. Accordingly, pursuant to section 63.71(c) and the terms of BellSouth's notice and application, absent further Commission action, BellSouth may terminate service on or after **April 27, 2007** in accordance with its filed representations. The Commission will normally authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

This proceeding is considered a "permit but disclose" proceeding for purposes of the Commission's ex parte rules, 47 C.F.R. §§ 1.1200-1.1216. Comments objecting to this application must be filed with the Commission on or before **April 10, 2007**. Such comments should refer to **WC Docket No. 07-56 and Comp. Pol. File No. 784**. Comments should include specific information about the impact of this proposed discontinuance on the commenter, including any inability to acquire reasonable substitute service.
